Reflection Template – My Green IT and Smart Grid Learning

Phase: Phase 4 – Reflection & Consolidation
Duration: 10–15 min

Instructions: After the presentations, write a short reflection (½ page ≈ 150 words). Use the guiding questions below to help you.

Part 1 – Understanding

• What are two new things I learned about Green IT or Smart Grids?
• How does information technology contribute to sustainability?

Part 2 – Application

• Which example (from group work or discussion) impressed me most?
• How could I apply something similar in daily life or at school?

Part 3 – Critical Thinking

• What risks or challenges exist (e.g. Greenwashing, data privacy)?
• How can AI or digital innovation make sustainability more effective?

Part 4 – Self-Assessment

Rate your engagement (1–5 ⭐):

☐ Participation ☐ Teamwork ☐ Creativity ☐ Understanding

Write one sentence about how you could improve in future teamwork.

Submission:
Save as PDF or DOCX and upload to Teams/AI-Greener folder.
File name: Reflection_GreenIT_[YourName].docx
